Statement of Beliefs

The beliefs of our organization fuel the mission of everyone involved with Waters Edge Encampment...

Our Mission is a difficult task simply stated
TO WIN, EQUIP, & SEND – Together!

This is accomplished through different venues, different means, and different ministries. We want to impact the Kingdom of God by the power of God. We are not superheroes, we are simply trying to be obedient. We believe each follower of Christ has a task the Lord has given them...this is ours. Waters Edge is made up of people from different denominations, different colors, and different families, but we are united together under one calling- to win, to equip, and to send. Waters Edge exists to awaken a generation by ascending unto a holy mountain and arming them for spiritual battle. This is our common ground. We are much more concerned with the One who brings us together than each others minute theological thoughts. We believe that impacting the kingdom of God together is more important than our ecclesiastic differences. We are, however, united with some common beliefs.

WHAT WE BELIEVE...

We believe that Jesus Christ is the Son of God, God made flesh, in order for us to have a way back to the Father through the sacrifice of Christ on the cross. Salvation is by faith in Christ **alone**. It is a gift from God that man cannot earn through his own merit. It is by God's grace through faith in Jesus Christ **alone** that we receive salvation.

We believe ONE encounter can alter a person's life forever!

We believe the power of God is still real, relevant, and at work in us and around us.

We believe that God never gives up on anyone, even those in the depths of depression and addiction. Jesus has the power to change lives, repair broken hearts and homes, and rebuild self esteem. This has to be accomplished from the inside out through the work of the Holy Spirit in individual lives. Sometimes individuals just need to be pointed in the right direction to put their lives back together.
